## Summary

Greetings,

I am SyniQue Israel, a driven individual with a strong commitment to making a meaningful impact on the world. My focus lies in actively contributing to the fight against climate change, littering, pollution, and oil leaks. In pursuit of this goal, I am dedicated to pursuing a college education that will equip me with the knowledge and skills needed to address these pressing issues.

Upon completing high school, my aspirations include obtaining two Bachelor's degrees—one in Business and another in Engineering Science. Additionally, I am determined to achieve majors in Clinical Laboratory Science and Diagnostic Medical Sonography, further expanding my expertise to contribute to the betterment of society.

In the coming year, I am eager to embark on my college journey, immersing myself in studies and actively seeking opportunities that align with my passion for creating positive change. I am confident that my academic pursuits will complement my role as a professional in the event planning and consulting industry, where I currently contribute my skills and dedication at Hor Consulting.

I am excited about the possibility of collaborating with like-minded individuals, and I look forward to the prospect of crossing paths with those who share a common vision for a better and more sustainable future.

Best regards,  
SyniQue Israel

## Experience

### Personal Assistant

#### HOR Consulting

Mar 2022 - Present (1 year 10 months)

As a personal assistant at HOR Consulting, I have had the privilege of being part of a dynamic and client-centric organization. At HOR, our team of consultants brings a wealth of experience and dedication to every project. What sets us apart is our unwavering commitment to providing undivided attention to each client, approaching their unique needs on a case-by-case basis.

We take pride in our client-focused and result-driven approach. Listening to our clients is at the core of our methodology, allowing us to collaboratively work towards and accomplish the goals set by our clients. The unique combination of experience, dedication, and personalized attention makes HOR Consulting a standout in the consulting industry.
